CONSTITUTION AND BY-LAWS

OF THE

NEW BEDFORD SOCIAL LIBRARY.

CONSTITUTION.

ART. 1. This Association shall be known by the name of the
NEW BEDFORD SOCIAL LIBRARY.

SECTION I.—*Officers and their Duties.*

ART. 1. The Officers of the New Bedford Social Library shall consist of a board of three Directors, a Librarian, a Treasurer who shall also be Collector, and a Clerk; who shall be chosen at the annual meeting, by ballot, to hold their offices for one year: provided, however, that if any vacancy should occur, it may be filled at any time, by a majority of the Officers already chosen.

ART. 2. The Directors shall exercise a general supervision over all the interests of the Library, inspect the records of the Librarian and Clerk, audit the accounts of the Treasurer, be a Committee for the purchase of books, and make an annual report of their doings, and of the condition and prospects of the Library.

ART. 3. The Librarian, either in person or by a proper substitute, shall keep the Library open, for the delivery and exchange of books, during such hours as are prescribed by the By-Laws and the Directors, keep a strict account of the delivery of books, for the loss of which he shall be accountable in cases of neglect, keep a correct list of all proprietors and subscribers, and may exercise such authority as may be necessary for the good order of the Library.

ART. 4. The Treasurer shall keep a strict account of all the receipts and expenditures of money belonging to the Proprietors, and make a report to the Directors of the financial condition of the Library, previous to the annual meeting of the Proprietors.

ART. 5. The Clerk shall be under oath or affirmation for the faithful discharge of his duty, and shall keep a fair record of the votes and other proceedings at meetings of the Proprietors.

SECTION II.—*Meetings.*

ART. 1. There shall be an annual meeting of the Proprietors at the Library Room on the first Saturday of September.

ART. 2. Special meetings of the Proprietors may be called by the Directors at the request of five of the Proprietors.

ART. 3. All meetings shall be called by the warrant of the Directors, directed to the Clerk, stating the time, place and objects of the meeting, requiring him to give public notice thereof in some newspaper published in New Bedford, at least seven days previous to the day of the meeting, and make return of his doings to the meeting.

ART. 4. The Clerk shall call all meetings to order.

ART. 5. Ten Proprietors shall be a quorum for the transaction of business, and each Proprietor shall be entitled to one vote for each share owned by him.

SECTION III.—*Shares, Transfers, &c.*

ART. 1. The property of the Library is divided into Shares placed in the hands of the Treasurer for sale, at the price of four dollars per share.

ART. 2. Every shareholder shall be entitled to all the privileges given, and subject to all the restrictions imposed, by the Constitution and By-Laws.

ART. 3. All transfers of Shares shall be made at the Library by the owner thereof in person, or by his attorney; provided the Treasurer shall transfer to purchasers such shares as may be bought of the Library, or may be sold at auction for payment of assessments or fines due thereon.

ART. 4. No transfer of any share shall be made until all assessments or fines due thereon are first paid, nor from the last Saturday of August to the second Saturday of September.

ART. 5. The Librarian shall give to every shareholder a certificate of his share, which certificate becomes null and void, when said share shall be transferred to another person.

SECTION IV.—*Funds.*

ART. 1. An annual assessment, not less than one dollar, shall be made upon each share, the amount of which shall be determined at the annual meeting.

ART. 2. The Treasurer shall give notice to every Proprietor of the amount due by him, and if his assessment is not paid within three months after the day when such assessment was made, he will not be permitted to take books from the Library.

ART. 3. Every share upon which the assessment is not paid within six months from the day when such assessment was made, shall be sold at public auction for the payment thereof.

ART. 4. At the expiration of the six months mentioned in the preceding article, the Treasurer shall make out a correct list of all delinquent Proprietors, and report the same to the Directors, who shall thereupon direct the Treasurer to give public notice, by advertising at least two weeks previous to the time of the sale in some newspaper published in New Bedford, that the shares of said proprietors will be sold at public auction, inserting the number of the shares, the time and place of the sale. The surplus, if any, which remains after deducting the sum due, and the costs of the sale, shall be paid to the delinquent who owned the same.

ART. 5. The Librarian shall receive as a compensation for his services the sum of fifty dollars per annum.

ART. 6. The Treasurer shall receive as a compensation for his services, 5 per cent. upon all monies received by him.

ART. 7. No money shall be paid from the Treasury except by order of the Directors, and the balance remaining after paying the current expenses of the year, shall be expended by the Directors in the purchase of books.

SECTION V.—*Alterations and Amendments.*

No amendment, addition or alteration shall be made to this Constitution except by a vote of two-thirds present at the meeting.

BY-LAWS,

ART. 1. The Library shall be open for the delivery and exchange of books on Saturday of each week, from 2 till 5 o'clock, and from 6 till 9 o'clock, and at such other times as the Directors shall prescribe.

ART. 2. Each shareholder may take two volumes at a time from the Library for each share owned by him to be retained not longer than four weeks; provided that all books shall be returned to the Library on the last Saturday of August in each year. Any person failing to comply with this By-Law, shall pay a fine of 12 1-2 cents per week for each volume so longer retained.

ART. 3. No book shall be taken from the Library by any person, until *all* assessments and fines due by him are paid.

ART. 4. Any person paying to the Librarian one dollar in advance, shall be permitted, for one year, to take one volume at a time from the Library, and so for any part of a year not less than three months.

ART. 5. Subscribers are subjected to the same restrictions and penalties as Proprietors.

ART. 6. No person shall be allowed to leave books on the Librarian's table, or to remove them from their places on the shelves without returning them. Persons having their books discharged, should return them immediately to their proper places.

ART. 7. The Librarian shall assess damages on books that have been unnecessarily injured; nor shall any person take books from the Library until such assessment has been paid.

EXPLANATION.

The first column of figures on the right of each page refers to the number of the book; the second column to the number of the shelf on which it stands.

Where "W. & P." occurs in the Catalogue, it indicates that the book belongs to Wiley & Putnam's Library of Choice Reading.

Abbreviations frequently occur, but of so general use, that an explanation is not thought to be necessary.
